9 BRYAN WAYNE CRAWLEY,

Case No. 3:12-cv-00465-MMD-WGC

10 v. Petitioner,

ORDER

11 R. BAKER, et al.,

12 Respondents.

14
15 Petitioner has submitted a motion for extension of time (dkt. no. 39) and a motion
16 in response to motion for summary judgment (dkt. no. 40). In both motions he asks for
17 additional time to respond to respondents' motion to dismiss (dkt. no. 35). The Court will
18 grant him additional time, but the amount that he asks for is excessive.

19 It is therefore ordered that petitioner's motion for extension of time (dkt. no. 39)
20 and motion in response to motion for summary judgment (dkt. no. 40) are granted in
21 part. Petitioner shall have through February 23, 2015, to file and serve a response to
22 the motion to dismiss (dkt. no. 35).

23 DATED THIS 29th day of December 2014.
